

Environmental Responsibility Policy

Revision 3.2

This Policy is applicable to Mudtech Limited and Mudtech Tank Division Limited.

We at **Mudtech Limited** and **Mudtech Tank Division Limited** are committed to reducing both our direct and indirect negative environmental impacts. Our business is to provide products and technical expertise to our customers in order to protect our shared environment.

We operate a "Plan, Do, Check, Review" methodology in order to continually improve the quality and environmental aspects of our goods and services. Striving to identify and provide "Best Environmental Options" we aim to exceed our customer's expectations, saving money and helping to comply with legislation and other requirements.

Vision and Mission

Mudtech is a privately-owned company based in the United Kingdom. It was originally set up in 1998 in order to provide a platform from which the Morrison Mud brand could flourish. Morrison Mud was a non-limited company established in 1987 by Ian Morrison whom, with the benefit of Mudtech's resource, continues to provide us with technical expertise and customer focus.

Our primary activity is to supply slurry processing, ground conditioning, and grouting resources for major international tunnelling, microtunnelling, and drilling works Worldwide.

Our Vision is

- To operate a business where relationships are based on trust and a positive attitude with primary focus on the successful, profitable completion of our customer's project.
- To identify and utilise the special talents of our colleagues and supply chain partners in order to offer the very best available option to our customers.

Our mission is

- To nurture and develop the Morrison Mud, BlueRinse and DribblePot brands.
- To create new branding when appropriate following the Morrison Mud excellence model.
- To provide innovative products and techniques in order to promote Safety and to protect our Local and Global Environment.
