

**This Policy is applicable to Mudtech Limited and Mudtech Tank Division Limited.**

Mudtech companies comprise of a small team of people sharing integrity and a positive attitude. We are all responsible for our own safety and have a responsibility for the safety and wellbeing of each other and the people with whom we interact.

When visiting a customer's site, we will seek to be inducted, understand and support a health and safety culture and applicable safe systems of work.

If any member of Mudtech is asked to carry out or observes any activity that they consider may endanger themselves or others then they must challenge it; in the first instance with those directly involved and then in line with the site safety management system.

As a last resort; any member of the Mudtech Team will leave site if necessary rather than compromise safety.
